I would like to invite you play for our TCB Fall Scout Team. With the success of our players over the past 18 years and with the recent numerous success stories our players have had at the college ranks and the pro draft, we are being swamped by college and pro scouts who want to see TCB players play in the fall.

As you can see from the partial list at the left, TCB USA players have gone on to a prestigious list of colleges across the country and several have also been selected in the Major League Baseball draft.

Our goal this year is to have a two Scout Teams. One made up of our Upper Class high school players and one made up of our Underclass high school players.

The TCB Scout teams will participate in the events below. Please see the attached tentative itinerary for a full schedule.

**3n2 Future College Player Baseball Combine*

**Baseball Scout Series*

**Various Local Tournaments*

**Games vs. other Fall Teams*

The per player fee for the TCB Scout Teams is as follows;

\$575 - Primary Pitchers (Players who ONLY pitch).

\$785 - Position Players (Players who play in the field. Could also be a position player who pitches as well).

Along with this invite, you will find a registration form that needs to be filled out in full and returned with a non-refundable payment of \$475.00 to secure your spot on the team.

A DEADLINE OF AUGUST 1, 2011 HAS BEEN SET TO SECURE A SPOT ON THIS TEAM.

TCB players only will receive this invite. After the above deadline has passed, in order to fill the roster, we will be inviting players outside our program that have stressed interest or that we have shown interest in for the summer of 2012.

Gentlemen, this is an opportunity that TCB has not been offered at this level of exposure in the fall. You will find that this Fall could be as valuable as the summer months as it pertains to your recruitment and exposure.

If you have any questions or concerns, please contact me by email: TeamCT44@aol.com. If there's anything I can do to help, please let me know.

Sincerely,
Dan Kennedy
